Report from Amy Palmer, Pool Manager: not present

Report from Charlie Smith, Park Superintendent:

- The Office of the Clerk Treasurer would like to see a policy on employee discounts. The discounts will remain for this year, but will be revisited for next season. Amy Palmer shared with Amy Campbell, who shared with the board that employee discounts are not a loss because the markup is sufficient.
- The Office of the Clerk Treasurer would like to see a policy on reimbursement for lifeguard training. Training costs were quite varied this year.
- The pool passed inspections, and weekly water samples are good. The weather has improved, and the pool has strong attendance.

Old Business:

Amy Campbell shared possible names for the Wednesday Food Truck event, and some vendors do not want to pay the license fee for one or two events. Charlie Smith will ask the Town Council if the license fee can be waived. The vendors will still need to have their Certificate of Insurance and Clark County Health Department certificate.

New Business:

Swim meets begin soon, and concern was expressed about parking. Caution tape will be put up, but the Swim Team and their coaches/parents/board will need to manage it.

Comments from the Board Members (Good of the Order): none

Adjournment: Walter Green made a motion to adjourn. Rebecca Carlton seconded the motion. Motion passed 4-0.
